Lean Six Sigma, Scorecards and Beyond

Authored by Forrest W. Breyfogle III

Introducing an industry-changing approach to going beyond Lean Six Sigma and Scorecards:

Enterprise Process DMAIC Roadmap

Wiley's best-selling Lean Six Sigma author, Forrest W. Breyfogle III has written a leading-thinking book, which effectively provides managers and practitioners with a proven Enterprise Process DMAIC Roadmap for going beyond Lean Six Sigma and Scorecards. This book, tentatively titled ***Lean Six Sigma, Scorecards and Beyond***, describes how organizations can pull off moving from a prevailing fire-fighting mode to an orchestration with everyone doing the right thing at the correct time.
