**FORREST BREYFOGLE III HONORED BY MISSOURI UNIVERSITY OF SCIENCE AND TECHNOLOGY ALUMNI ASSOCIATION
CEO and President of Smarter Solutions, Inc. of Austin, Texas receives Alumni Achievement Award**

Austin, TX – Forrest Breyfogle III, CEO and President of Smarter Solutions, Inc. has been awarded the Alumni Achievement Award from the Miner Alumni Association of Missouri University of Science and Technology. The award recognizes the outstanding personal achievements of alumni in the fields of academia, business, professions, or civic endeavors.

During his illustrious career spanning a quarter century, Mr. Breyfogle has established himself as a leading-edge thinker, prolific author, and innovative consultant. He is recognized as a leading authority in the area of quality and Six Sigma, and has contributed to both the business and technical foundation of Six Sigma. He is the author of *Implementing Six Sigma: Smarter Solutions Using Statistical Methods*, 2nd Edition, which has made a significant contribution to the understanding of the Six Sigma methodology and won the prestigious Crosby Medal from the American Society for Quality (ASQ) in 2004. His most recent work is the Integrated Enterprise Excellence five-book series, which was published in 2008.

In 2011, Mr. Breyfogle was named Quality Professional of the Year by Quality Magazine. He is an ASQ Fellow and served on the board of advisors for the University of Texas Center for Performance Excellence.

Mr. Breyfogle is a Professional Engineer with a Bachelor of Science degree in Mechanical Engineering from the University of Missouri at Rolla and a Master of Science degree in Mechanical Engineering from the University of Texas. He began his career with IBM, where he applied Six Sigma methodology to testing, development, manufacturing, and service organizations.

In 1992, Mr. Breyfogle founded Smarter Solutions, Inc. to provide training and consulting services for the Lean Six Sigma methodology. Smarter Solutions helps their client companies' executives to make decisions more effectively in order to move their businesses toward success, both short term and long term. The focus, says CEO Breyfogle, must be on the whole enterprise, so that an organization can achieve the three R's of business: Everyone doing the Right things, doing them Right, at the Right time.
